

Recreational Opportunities

Hunting - Wildlife Viewing - Outdoor
Photography - Hiking - Birdwatching

In spring male prairie chickens boom as they compete for the attention of hens. Henslow's sparrows and Upland Sandpipers nest here while short-eared owls often make Taberville their winter home. The area hosts some other unique species such as Regal Fritillary Butterflies, Bottle Gentian, Slender Glass Lizard, and Geocarpon.

Rules and Regulations

Conservation areas are closed from 10 p.m. to 4 a.m. except for authorized camping, fishing, and hunting activities.

- No littering, fireworks or open fires.
- No camping.
- No target shooting allowed.
- No free-running pets. Dogs must be leashed or confined when not being trained or used for hunting.
- Motor vehicles are restricted to roadways and parking areas.
- Destroying, cutting or removing vegetation is prohibited. Nuts, berries, fruits, edible wild greens and mushrooms may be taken only for personal consumption. On areas designated as Missouri Natural Areas, taking edible wild greens is prohibited.
- Swimming, scuba diving, water skiing, sailboarding, skateboarding, collecting plants and animals, caving and rappelling are not allowed.
- No collecting artifacts or any other activity that damages or disturbs historical or archeological features.
- Trail and game cameras are prohibited.

Area Ponds

- Impounded waters (ponds) on the area are fishless.
- Seining or trapping live bait, including tadpoles, is prohibited on all impounded waters and their discharge channels.

Hunting and Trapping

Area is open to hunting and trapping under statewide regulations, except as further restricted by the following regulations:

- Deer hunting is permitted under statewide seasons and limits except: only archery and muzzle-loading methods may be used. The use of antlerless permits is allowed.
- Only bucks that have at least four antler points on one side of their rack may be taken during the archery and firearms deer hunting seasons (except the youth portions).
- Only portable tree stands are allowed and only from September 1 through January 31. Unattended stands must be plainly labeled on a durable material with the full name and address, or Conservation Number, of the owner and be removed from the area before February 1. Use of nails, screw-in steps, and any material or method that would damage the tree is prohibited
- Trapping furbearers allowed only by special use permit.
